To Whom it May Concern

**Consultation to undertake a Section 27, Governor-led Pre-School Provision**

Following the expansion of our school buildings, a positive response to our market research within the school and local community, and due to the closure of Croston Pre-School, the governors of Trinity and St Michael's Church of England and Methodist Primary School can now confirm that school is in a position to establish a Governor-Led Pre-School provision.

Trinity and St Michael's Church of England and Methodist Primary School is a one-form entry primary school with 210, 4–11-year olds on roll. From September 2024, the Governors propose to provide a Governor-Led Pre-School for 3 and 4 year-olds which will be run under Section 27 of the Education Act.

The Pre-School will offer morning and afternoon sessions on a full or part-time basis and will also offer wrap around care to include before/after pre-school sessions and lunchtime provision which will mirror the school day.

This school expansion is part of our ongoing efforts to ensure that every child in our community has access to a comprehensive education. The Early Years facility will not only foster the holistic development of our young learners, but it will also ensure they have access to a nurturing environment that will support their personal growth and help them successfully transition into the primary years of education.

Our team is committed to working closely with all stakeholders to ensure the smooth implementation and continued development of the Section 27 Governor-led Pre-School Provision

Should you have any comments or require any further information please contact school before 20<sup>th</sup> May 2024.

Enquiries for Pre School places are welcome. Please contact school on 01772 600379.
