

Hello Everyone,

We are delighted to share a very active and positive relationship with this wonderful school. As Chaplains, we visit the school regularly to lead worship, interact with children and staff and assist in the development of the children's wellbeing. We very much enjoy leading the Worship Council, made up of pupil representatives from each year group and supporting the delivery of the RE curriculum. As well as this we also regularly share in 'Agape' worship and 'Bears and Prayers' sessions throughout the year.

*Every blessing, Rev Sue Guénault, Croston Methodist Church and Rev Michael Woods, St Michaels and All Angels Church, Croston.*
