

## Intent

At Trinity and St Michael's, we aim to inspire pupils and develop their confidence to experiment and invent their own works of art. We aim to provide every child with opportunities to develop their ability, nurture their talents and interest, express their ideas and thoughts about the world, as well as learning about the rich heritage and culture of the British Isles and beyond. Through our art lessons, we aim to nourish children's spirituality by enabling them to express themselves and respect the opinions of others.
