1 – Statement of Intent

At Trinity & St Michael's CE/M Primary School, the pupils and their learning are at the very heart of every decision we make.

Through this policy, we will help pupils to develop an inner discipline and encourage them to not just 'follow the crowd' – they will make up their own minds and be ready to accept responsibility for what they do while **respecting** others. They will grow through making choices and holding themselves to account for the choices they have made. They will want to be honest with themselves and with others. The spiritual, moral, social and cultural (SMSC) education of our pupils is cross-curricular and not limited to specific SMSC lessons.

This policy and area of the curriculum will build from our Christian foundation. Our Christian values will be the explicit driver for helping to ensure the successful implementation of this policy.

Qualities that aid good relationships are listed as the fruits of the spirit in Paul's letter to the Galatians. Paul's letter to the Corinthians gives more indication of how we should all relate to another.

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.” (Galatians 5: 22-23)

2 – Policy Aims

Through the implementation of this SMSC Policy, we aim to:

- Provide a safe, caring and happy environment where each pupil is valued as an individual and can develop towards their full potential.
- Provide for each pupil a wide, balanced curriculum of high-quality, appropriate to the interests and aspirations of the individual, and encourage the development of the whole person – fulfilling the requirements of the national curriculum.
- Develop the potential of each pupil within their capabilities, recognising different needs and abilities and providing challenges and appropriate teaching at each stage of development.
- Set and maintain standards of discipline, courtesy and general moral values so that the school community can function effectively.
- Engender a sense of self-respect, independence and self-motivation – to increase the individual's capacity to accept responsibility for actions taken.
- Encourage pupils to recognise their responsibility to, and dependence on, others to help them become active, reasoning participants in a democratic society.
- Provide a non-sexist, non-racist atmosphere that fosters respect for religious and moral values linked with tolerance of other people, races, religions and lifestyles.
- Foster links between home and school to develop a partnership with parents in the education of their children.
